

RETRACTION AND APOLOGY

On March 29, 2006 we caused a briefing memo to be sent to the Transport Minister and copied to Mayor David Miller, Olivia Chow, M.P., Michael Ignatieff, M.P., Jack Layton, M.P., Maria Minna, M.P., Bill Graham, M.P., Peggy Nash, M.P., Councillor Pam McConnell, Councillor Martin Silva, and others and which was published on the website of Community Air with companion commentary.

The memo and associated commentary on the web-site made statements about the Toronto Port Authority, its officers and directors, and in particular Henry Pankratz, Lisa Raitt and Alan Paul which reflect adversely on their competence, honesty, responsibility, and regard for the law. We acknowledge that there is no foundation for those statements, and that they should not have been made, nor circulated. We further acknowledge that there was no improper motive in the bringing of this lawsuit.

We unreservedly retract these statements and apologize sincerely to the Toronto Port Authority, its officers and directors, and in particular to Henry Pankratz, Lisa Raitt, and Alan Paul.
