

The City of Toronto holds public consultations as one way to engage residents in the life of their city. Toronto thrives on your great ideas and actions. We invite you to get involved.

Multi-Use Path Upgrade: Trinity Bellwoods Park

Public Open House

We invite you to attend a Public Open House to learn more about this proposed multi-use path upgrade and to share your thoughts with us and fellow park users. Details are as follows:

Date: February, 24, 2010
Time: 4:00 p.m. to 8:00 p.m. 
Location: Trinity C.R.C Assembly Hall
155 Crawford Street
(North of Queen Street West,
west side of Trinity Bellwoods Park)

Background

In the fall and winter of 2008-09, the City of Toronto worked with local cyclists to identify ways to improve cycling conditions in the west end of downtown. Two routes identified through this process (10 Argyle-Robinson, and 29A Strachan-Shaw) require connections through Trinity Bellwoods Park.

To provide these connections through the park, the City is proposing to upgrade to the existing multi-use path through realignment and resurfacing. The purpose of the proposed changes is to improve bikeway connections while making the paths safer and more comfortable for all path users, including pedestrians. Detailed drawings will be on display at the Open House.

We would like to hear from you:

Public consultation is an important part of implementing this work. If you would like more information, please visit toronto.ca/cycling/public-consultations, or contact:
