Appendix D – Bathurst Quay Neighbourhood Plan Update

BATHURST QUAY NEIGHBOURHOOD PLAN (BQNP) IMPLEMENTATION – PROJECT UPDATE

City Planning (B. Bowen) – September 2021

The BQNP: Multiple, co-ordinated revitalization projects delivered in partnership. Linked together by new public space on our waterfront.

Water's Edge Promenade

BQNP Project Updates – CMC Silo Rehabilitation

- Design work and Heritage Conservation Plan complete
- Active Request for Tender opened July 2, 2021; closed August 3, 2021
- Bid Award Panel September 22, 2021
- Site work expected to mobilize in October 2021 and will last approximately 2 years. Project will be staged south to north to accommodate start of plaza construction in 2022.
- Perimeter fence to be removed in stages (also south to north). New pedestrian 'portal' to be 'roughed in' with south silo rehab and completed with plaza construction.
- Adaptive re-use EOI/RFP details in 2022.

BQNP Project Updates – The Corleck Building

- New waterfront centre for arts and culture. To be delivered and operated by the City's non-profit partner, Canada Ireland Foundation.
- Design development complete
- Various project permits and approvals underway (zoning; servicing connections; building permits)
- Site work and renovations to commence in October 2021
- First phase expected to open Fall 2022
- Miotas/Myth exhibit now open to the public

Waterfront Plaza Concept –

Inspiration and precedents for new public space on the Canada Malting site.

Plaza construction to begin Summer 2022.

Waterfront Plaza Concept –

Distinct ‘rooms’ support both informal gathering and special event programming, connecting the site’s various elements together and to the water’s edge.
